

GoHighLevel checkout test sheet

Check the full purchase journey before sending buyers to it.

FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

YOUR ACTION PLAN

- 1 Confirm the offer, currency, price and recurring versus one-time terms.
- 2 Use the payment provider's supported test mode where available.
- 3 Test successful, failed and abandoned checkout paths.
- 4 Verify what payment status triggers access, confirmation and fulfillment.

EXAMPLE - ILLUSTRATIVE

A failed payment must not trigger the same course-access action as a successful one.

CHECK YOUR RESULT

Do access and notifications follow the actual payment result?

GoHighLevel checkout test sheet

Use the prompts below to make this resource specific to your business. Save a local copy after completing it. Keep passwords and private customer data out of this worksheet.

Offer:**Price and currency:****Billing frequency:****Payment test:****Access result:****Failure route:****DONE WHEN**

Do access and notifications follow the actual payment result?
