

Weekly website health check

Catch visible problems with a short routine.

FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

YOUR ACTION PLAN

- 1 Open the homepage and key service pages on a phone.
- 2 Submit a sample enquiry using clearly labeled test information.
- 3 Check booking, payment entry points and major navigation links.
- 4 Record issues and route urgent failures to the responsible person.

EXAMPLE - ILLUSTRATIVE

A form can look normal while delivery has stopped, so the inbox check matters.

CHECK YOUR RESULT

Did the main customer journey work from start to finish this week?

Weekly website health check

Use the prompts below to make this resource specific to your business. Save a local copy after completing it. Keep passwords and private customer data out of this worksheet.
