

Find and test your review link

Make it easy for customers to reach the correct review destination.

FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

YOUR ACTION PLAN

- 1 Open the business profile you manage and locate its current review-sharing option.
- 2 Copy the link into a record with the business name and location.
- 3 Open it on a phone and confirm that it shows the intended business.
- 4 Use the verified link consistently in your review materials.

EXAMPLE - ILLUSTRATIVE

A business with two locations keeps separate verified links rather than using the first search result.

CHECK YOUR RESULT

Does the destination show the correct business before you print or share it?
