

Plan a review QR card

Prepare a clear card that works when printed.

FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

YOUR ACTION PLAN

- 1 Choose one destination: the verified review link.
- 2 Write a short neutral invitation and include the business name.
- 3 Keep the code large enough for the intended viewing distance, with clear space around it.
- 4 Print a sample and test it on several phones before ordering.

EXAMPLE - ILLUSTRATIVE

A counter card uses Share your experience rather than Scan for a five-star reward.

CHECK YOUR RESULT

Does the physical sample scan reliably under normal lighting?
