

Review card print handoff

Give a printer everything needed for a usable physical product.

FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

YOUR ACTION PLAN

- 1 Confirm final size, material, quantity and placement.
- 2 Provide approved artwork and the tested destination.
- 3 Ask the printer about bleed, safe area and file requirements for the chosen product.
- 4 Approve a proof and test a sample before a large order.

EXAMPLE - ILLUSTRATIVE

A tabletop stand and a wallet card need different layouts even when they share the same review link.

CHECK YOUR RESULT

Has the actual print proof been checked for readable text and reliable scanning?
