

# Internal linking map

Help visitors move between related information.

## FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

## YOUR ACTION PLAN

- 1 List pages that naturally support one another.
- 2 Use descriptive link text that identifies the destination.
- 3 Connect service explanations with relevant projects and contact routes.
- 4 Remove broken links and avoid linking every paragraph to the same page.

## EXAMPLE - ILLUSTRATIVE

A GoHighLevel service page links to a relevant project rather than a random blog post.

## CHECK YOUR RESULT

Does each link help the reader continue a meaningful journey?
