

SEO monthly content review

Keep important pages accurate and useful.

FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

YOUR ACTION PLAN

- 1 Review pages tied to current services and customer questions.
- 2 Correct outdated prices, contact details and broken links.
- 3 Check available search data for relevant pages that need clearer answers.
- 4 Record changes and evaluate over time without promising specific rankings.

EXAMPLE - ILLUSTRATIVE

A pricing page is updated when package scope changes rather than left inconsistent with the enquiry form.

CHECK YOUR RESULT

Are the site's most important pages still accurate and helpful?
