

Request useful website revisions

Give precise feedback that a designer can act on.

FROM THE SETLY PROJECT LIBRARY

A real project screenshot for visual inspiration. Follow the written steps for your own business.

YOUR ACTION PLAN

- 1 Collect feedback from decision-makers into one list.
- 2 For each item, name the page, location and current behavior.
- 3 Describe the intended result and attach the final text or image when replacing content.
- 4 Separate corrections within scope from new pages or functionality requiring a revised estimate.

EXAMPLE - ILLUSTRATIVE

On Services, replace the second paragraph with the supplied copy; leave the package prices unchanged.

CHECK YOUR RESULT

Could the designer make the change without guessing what you mean?

Request useful website revisions

Use the prompts below to make this resource specific to your business. Save a local copy after completing it. Keep passwords and private customer data out of this worksheet.

Page and location:**Current issue:****Requested result:****Replacement material:****Priority:****Scope question:****DONE WHEN**

Could the designer make the change without guessing what you mean?
