## YOUR ACTION PLAN

- 1 Start with a business task, such as appointment scheduling or responding to enquiries.
- 2 Check whether your current Wix setup already handles that task.
- 3 Compare an add-on's required plan, recurring cost, data access and support before installing.
- 4 Test the complete visitor journey and document who owns the subscription.

## EXAMPLE - ILLUSTRATIVE

A salon may need booking and reminders before it needs a loyalty program.

## CHECK YOUR RESULT

Does each proposed integration solve a named task with an assigned owner?
